## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: line 5 of claim 1 is changed from "a rod (22)" to "a rod (222)"; line 1 of claim 4 is changed from "an abutment bracket (220)" to "an abutment bracket (228)".

### ***Allowable Subject Matter***

2. **Claims 1 through 14 are allowed.**

The following is an examiner's statement of reasons for allowance: At this instant, the prior art of record fails to show or make obvious a rod connected at a first end to a spaced side member and at a second end to a front leg, wherein a seat cushion is automatically laterally displaced relative to the front legs in response to pivotal movement of the seat cushion relative to the front legs.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
